

# EasternGraphics LicenseClient 1.1.8 User Manual

## 1 Introduction

### 1.1 System requirements

Internet connection (Port 443)

---

Windows account with administrator rights

---

Microsoft .NET Framework 4.5

---

Windows 11 | Windows 10 | Windows Server 2012, 2016, 2019, 2022

---

### 1.2 Supported applications

EGR-LicenseClient supports the following applications:

pCon.basket

---

pCon.xcad

---

pCon.update DataClient

---

pCon.update DataPool

---

EGR-LocalTestBox

---

**PLEASE NOTE:** We provide a separate license activation process for pCon.planner PRO.

### 1.3 Performance characteristics

EGR-LicenseClient provides a fast, simple way of automatically activating and installing licenses. All you need is an Internet connection and a license key, which can be obtained from your distributor.

### 1.4 Installation assistant

You can download the software package from the following link:

[https://downloads.pcon-solutions.com/licenses/EGR-LC/EGR-LicenseClient\\_setup.exe](https://downloads.pcon-solutions.com/licenses/EGR-LC/EGR-LicenseClient_setup.exe)

Launch setup.exe and follow the instructions. The assistant will guide you through the setup process.

## 2 Working with EGR-LicenseClient

### 2.1 Store contact data

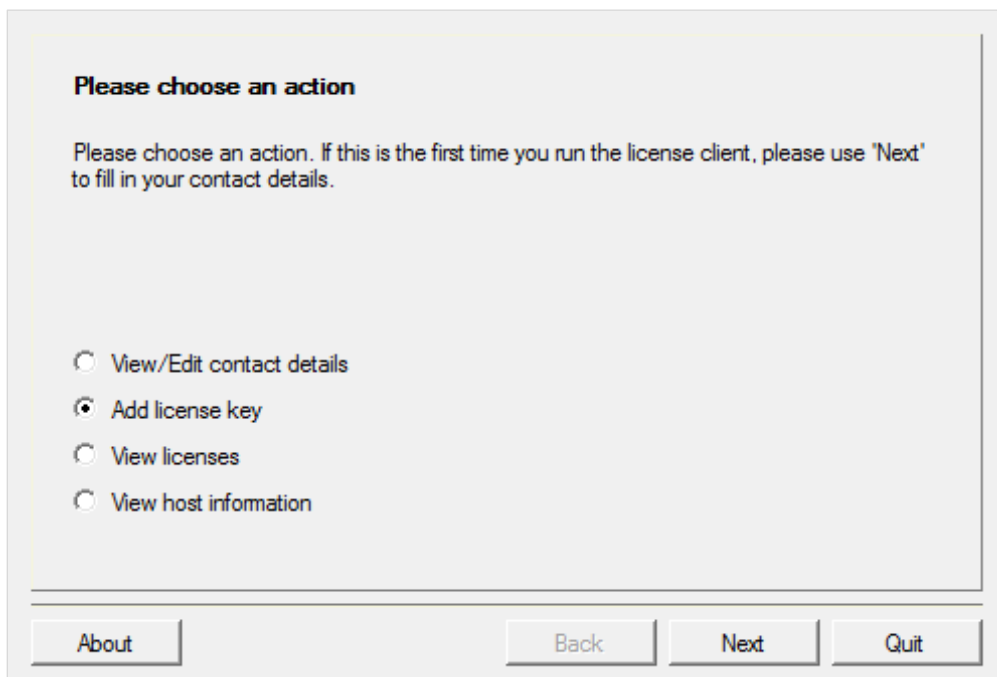

The first time you launch EGR-LicenseClient, you will be prompted to enter your contact information.

1. Click *Next* to enter your contact data.
2. Enter your contact data. Fields marked with an \* are mandatory.
3. Click *Next*.

Configuration of EGR-LicenseClient is now complete and the software can be used.

### 2.2 Installing licenses

1. Please select the *Add license key* option and click *Next*.

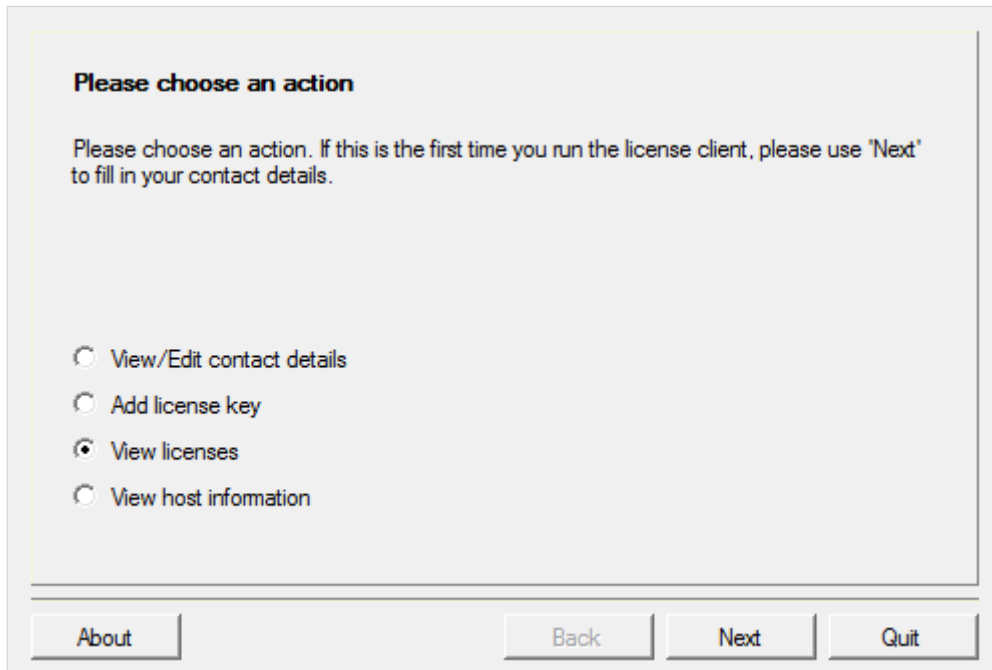

Now enter the license key that you obtained from the distributor and click "next". The application will now establish a link to the server in order to activate the license. This process can take a few seconds.

**PLEASE NOTE:** Before you can activate a basis application using EGR-LicenseClient, you must first install the application.

Trying to activate a license for a program that has not been installed will prompt a corresponding error message.

If the installation has been completed successfully, a message to that effect will appear. The license will be installed directly into the basic program and can be used immediately.

Click *Next* to return to the starting page. The *View licenses* screen provides an overview of your pending licenses and licenses that you have activated.

**PLEASE NOTE:** If you want to use licenses that are valid only for limited time periods, please contact [licensing@easterngraphics.com](mailto:licensing@easterngraphics.com). You will receive a license file which has to be copied into your program directory.

### 3 Contact Information

Do you have further questions about our software? Although we make every effort to ensure that the quality of our products is always improving, problems and questions can nevertheless arise. In such cases we are always prepared to provide assistance, and ask that you contact the relevant support department.
