AN-2023-01

# OFML Support in pCon Applications

This Application Note provides an overview of the supported OFML data formats and its versions in the main applications of EasternGraphics for the last releases. Beside the version numbers of the applications it also provides the version numbers of the main OFML processing libraries.

For more details about the changes in the OFML data formats please read the history chapter of the respective specifications. You can find them in the EasternGraphics Download Center https://download-center.pcon-solutions.com/?cat=50
